

RAHUL KOTA

Doctor of Pharmacy (Pharm.D) Scholar | Aspiring Computational & Structural Biology Researcher

Vijayawada, AP, India • Email: rahulkota0101@gmail.com • Phone: +91 9502313528

Portfolio: rahulkota01.github.io/portfolio • GitHub: github.com/rahulkota01

EDUCATION

Doctor of Pharmacy (Pharm.D) • 3rd Year Scholar

2023 – Present

QIS College of Pharmacy, AP (Affiliated with JNTUK & RIMS)

Intermediate — PCB (Physics, Chemistry, Biology) • GPA: 9.0 / 90.2%

2021 – 2023

VKR College

RESEARCH MANUSCRIPTS & PUBLICATIONS

Research Article | *Manuscript Submitted*

Decoding miRNA–mRNA Regulatory Networks in Triple-Negative Breast Cancer: An Integrative Re-analysis of Public Expression Data

Integrative computational re-analysis of publicly available expression data to investigate miRNA–mRNA regulatory relationships in triple-negative breast cancer (TNBC).

Status: Manuscript submitted to a Q2 journal in the Journal of Biomedicine and currently under consideration.

Keywords: Computational Biology, Bioinformatics, Cancer Biology, TNBC, miRNA–mRNA Networks, Genomics, Systems Biology

RESEARCH EXPERIENCE & INTERSHIPS

Research Internship • Organic Chemistry Research Laboratory

Department of Chemistry • National Institute of Technology Warangal (NITW)

Research internship in the Organic Chemistry Research Laboratory under the guidance of **Prof. Venkata Sri Lakshmi**, working alongside PhD scholars on organic chemistry research lab.

Guided Mentorship • Exploratory Cancer Biology & Nanocarrier Research

Department of Pharmaceutical Engineering & Technology • Indian Institute of Technology (BHU) Varanasi

Literature-based exploratory research on miRNA-incorporated nanocarrier delivery systems for Triple-Negative Breast Cancer under PhD scholar guidance.

WORKSHOPS, CERTIFICATIONS & ACHIEVEMENTS

- **1st Place — Poster Presentation:** National Pharmacy Week 2025, SCRMP Gujarat Chapter.
- **GIAN Course — Precision Medicines & Next-Gen Deep Medicines:** 10-day intensive workshop at IIT Indore in collaboration with Purdue University, USA.
- **5th Health Care Summit 2025:** National conference participant at Indian Institute of Science (IISc), Bangalore.
- **NPTEL Certification:** Mathematical Foundations for Machine Learning (IISc & NITK Joint Certification).
- **GATE Preparation:** Active preparation for GATE (Life Sciences - XL & Biotechnology - BT).

TECHNICAL & COMPUTATIONAL SKILLS

Programming & Tools: Python (Basics), Streamlit, SQL (Basics), Java (Basics)

Computational & Biological Focus: Bioinformatics, Computational Genomics, Systems Biology, Structural Biology Concepts

Languages: English (Academic/Professional), Hindi (Working), German (Elementary A1)
